Dear Parents,

Welcome to Young Intellectuals After School Program for all students grade K- 6! We are excited to have the opportunity to serve you and your children. You may use our program on a consistent basis or simply as a drop-in option. During their time with us, your child will receive Homework Help and can participate in a number of activities.

One of the interesting things about the program is the clubs we will be offering. We will be providing your child with the opportunity to learn skills in reading, writing, robotics*, music, dance, coding* and art & craft classes.

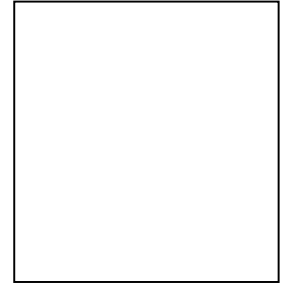

Please fill in the attached application form and return it with a photograph of your child. Please mention the days you wish to enroll your child in. Pick up time is anytime between 3PM – 6PM.

Sincerely,

Subhasree Ganapathy Mohan
Director of Young Intellectuals

*Extra charges for Robotics & Dance classes
